

Dear Delegates,

Please check the updated list of Oral, Flash and Poster presentations, posted at the website.

In addition to the technical sessions, we are organizing outreach activities to engage local school children on critical topics such as climate change and Carbon Capture, Utilization, and Storage (CCUS). We kindly request your contributions in the form of slides, videos, or demonstrations to effectively communicate the impact of climate change to these young students. To facilitate the scheduling of this activity, if you want to participate, please submit your materials at your earliest convenience, but no later than September 8th, 2024.

Please complete your travel itinerary using the following Google Form: [Google Form Link](#).

For your poster presentation, please ensure that it is printed in portrait format with dimensions of 3 feet in width and 3 ½ feet in height. Kindly underline the presenting author and place a star (*) next to the corresponding author. Please also include the email address of both the presenting and corresponding authors for all communication purposes. Additionally, there will be several awards for outstanding poster and oral presentations by students.

For all student participants, non-AC shared accommodations have been arranged at two locations near the conference venue.

1) St. Ann's Generalate

Address: 12-13-485, Tarnaka, behind CCMB, Nagarjuna Nagar Colony, Hyderabad, Telangana 500017 (about a 5-minute walk from the venue). Charges: ₹400 per person per day for non-AC accommodation.

2) Arnold Bhavan

Address: Street No. 8, Habsiguda, Secunderabad (approximately 3.5 km from the venue). Charges: ₹500 per person per day. Shuttle services will be provided for pick-up and drop-off.

Rooms have been pre-booked at both locations, and we will share the accommodation allotment well before the conference. If you have any queries, please feel free to email us at cees2024@csiriict.in.

Thank you for your valuable contribution. We look forward to your presentation.

Warm regards,
