

Conference Venue

The CEES-2024 Conference will be held at the Swami Vivekananda Auditorium, located at reception area in the main building of the CSIR-Indian Institute of Chemical Technology (IICT) campus.

About the IICT Campus

The IICT campus has three entry gates:

Main Gate/Workshop Gate: This gate is easily identifiable by the large Indian flag hoisted nearby. It is the primary entrance to the campus.

Stores Gate: This internal gate provides access to both the IICT campus and the nearby CCMB (Centre for Cellular and Molecular Biology) and their guest house.

Dispensary Gate: Located on Nacharam Road, opposite to Zaheer School gate. This gate is convenient for those arriving via Uppal or Ghatkesar.
