Thereafter, the lowest bidder among the Class – I local supplier, will be invited to match the L1 price for the remaining 50% quantity, subject to Class – I local supplier’s quoted price which should fall within the margin of purchase preference of 20%. The contract for that quantity shall be awarded to such Class – I local supplier, subject to matching the L1 price. In case such lowest eligible

Class – I local supplier fails to match the L1 price or accepts less than the offered quantity, then the next higher Class – I local supplier within the margin of purchase preference shall be invited to match the L1 price for the remaining quantity and so on and the contract shall be awarded accordingly. In case some quantity is still left uncovered on the part of Class – I local supplier, the balance quantity may also be ordered to the L1 bidder.

Accordingly, the contract shall be awarded to the ~~to~~ supplier matching the L1 price.
- iii. In case such lowest eligible Class – I local supplier fails to match the L1 price, the Class – I local supplier with the next higher bid within the margin of purchase preference shall be invited to match the L1 price. and so on and contract awarded accordingly. In case none of the Class – I local supplier within the margin of purchase preference match the L1 price, the contract may be awarded to the L1 bidder.
